The Vendor/ Organization without any extra charges shall supply all samples of adequate numbers, size, shades & pattern as per specifications. If certain items proposed to be used are of such nature that samples cannot be presented or prepared at the site detailed literature/test certificate of the same shall be provided to the satisfaction of the Architect/ consultant.

Before submitting the sample/literature the Vendor/ Organization shall satisfy himself that the material/equipment for which he is submitting the samples/literature meet with the requirement of tender specification. Only when the samples are approved in writing by the architect/consultant the Vendor/ Organization shall proceed with the procurement and installation of the material/equipment.

The approved samples shall be signed by the Architect/Consultant for identification and shall be kept on record at site office until the completion of the work for inspection/comparison at any time. The Architect/Consultant shall take reasonable time to approve the sample.

Any delay that might occur in approving the samples for reasons of its not meeting the specifications or other discrepancies inadequacy in furnishing samples of best qualities from various manufacturers and such other aspects causing delay on the approval of the materials/equipment's etc. shall be to the account of the Vendor/ Organization.

(iii) Cost of tests

a) The cost of making any test shall be borne by the Vendor/ Organization if such test is intended by or provided for in the specifications or BOQ.

(iv) Cost of test not provided for

If any test is ordered by the Architect/Consultant, which is either:

If so, intended by or provided for or (in the cases above mentioned) is not so particularized or through so intended or provided for but ordered by the Architect/Consultant which is either to be carried out by an independent person at any place other than the site or the place of manufacture or fabrication of the materials tested or any Government/approved laboratory, then the cost of such test shall be borne by the Vendor/ Organization.

18. Obtaining Information related to execution of work

No claim by the Vendor/ Organization for additional payment shall be entertained which is consequent upon failure on his part to obtain correct information as to any matter affecting the execution of the work nor any misunderstanding or the obtaining incorrect information or the failure to obtain correct information relieve him from any risks or from the entire responsibility for the fulfilment of contract.

19. Contractor's superintendence

The Vendor/ Organization shall give necessary personal superintendence during the execution of the works and as long, thereafter, as the Architect/consultant may consider necessary until the expiry of the defects & liability period, stated hereto.

20. Quantities

- i) The bill of quantities (BOQ) unless or otherwise stated shall be deemed to have been prepared in accordance with the Indian Standard Method of Measurements. The rate quoted shall remain valid for variation of quantity against individual item to any extent subject to maximum variation of the contract value by 25%. The entire amount paid under Clause 21 hereof as well as amounts of prime cost and provisional sums, if any, shall be excluded.
- ii) Variation exceeding 25%: The items of work executed in relation to variation exceeding 25% shall be paid on the basis of provisions of clause 23(e) hereof.

21. Works to be measured

The Architect/Consultant may from time to time intimate to the Vendor/ Organization that he required the work to be measured and the Vendor/ Organization shall forthwith attend or send a qualified representative to assist the Architect in taking such measurements and calculation and to furnish all particulars or to give all assistance required by any of them.

Such measurements shall be taken in accordance with the Mode of measurements detailed in the specifications. The representative of the Architect/Consultant shall take joint measurements with the Vendor/ Organization's representative and the measurements shall be entered in the measurement book.

The Vendor/ Organization or his authorized representative shall sign all the pages of the measurement book in which the measurements have been recorded in token of his acceptance. Both representatives shall duly attest all the corrections. No over writings shall be made in the M book.

In case if the Vendor/ Organization does not attend or neglect or omit to depute his representative to take measurements then the measurements recorded by the representative of the Architect/consultant shall be final. All authorized extra work, omissions and all variations made shall be included in such measurements.

22. Variations

No alteration, omission or variation ordered in writing by the Architect/Consultant shall vitiate the contract. In case the Bank/Architect/Consultant thinks proper at any time during the progress of works to make any alteration in, or additions to or omission from the works or any alteration in the kind or quality of the materials to be used therein, the Architect/Consultant with the consent of Bank shall give notice thereof in writing to the Vendor/ Organization or shall confirm in writing within seven days of giving such oral instructions the Vendor/

Organization shall alter to, add to, or omit from as the case may be in accordance with such notice but the Vendor/ Organization shall not do any work extra to or make any alteration or additions to or omissions from the works or any deviation from any of the provisions of the contract, stipulations, specifications or contract drawings without previous consent in writing of the Architect/Consultant and the value of such extras, alterations, additions or omissions shall in all cases be determined by the Architect/Consultant and the same shall be added to or deducted from the contract value, as the case may be.

23. Valuation of Variations

No claim for an extra shall be allowed unless it shall have been executed under the authority of the Architect/Consultant with the concurrence of the Bank as herein mentioned. Any such extra is herein referred to as authorized extra and shall be made in accordance with the following provisions.

- a) i) The net rates or prices in the contract shall determine the valuation of the extra work where such extra work is of similar character and executed under similar conditions as the work priced herein. ii) Rates for all items, wherever possible should be derived out of the rates given in the priced BOQ.
- b) The net prices of the original tender shall determine the value of the items omitted, provided if omissions do not vary the conditions under which any remaining items of works are carried out, otherwise the prices for the same shall be valued under sub clause (c) hereunder.
- c) Where the extra works are not of similar character and/or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items or works are carried out, then the contractor shall within 7 days of the receipt of the letter of acceptance inform the Architect/Consultant of the rate which he intends to charge for such items of work, duly supported by analysis of the rate or rates claimed and the Architect/Consultant shall fix such rate or prices as in the circumstances in his opinion are reasonable and proper, based on the market rate.
- d) Where extra work cannot be properly measured or valued the contractor shall be allowed day work prices at the net rates stated in the tender of the BOQ or, if not, so stated then in accordance with the local day work rates and wages for the district; provided that in either case, vouchers specifying the daily time (and if required by the Architect/Consultant) the workman's name and materials employed be delivered for verifications to the Architect/Consultant at or before the end of the week following that in which the work has been executed.
- e) It is further clarified that for all such authorized extra items where rates cannot be derived from the tender, the contractor shall submit rates duly supported by rate analysis worked on the "market rate basis" for material, labour, hire/running charges of equipment and wastages etc. plus 15% towards establishment charges, contractor's overheads and profit. Such items shall not be eligible for escalation.

24. Final Measurement

The measurement and valuation in respect of the contract shall be completed within one month of the virtual completion of the work.

25. Virtual Completion Certificate (VCC)

On successful completion of entire works covered by the contract to the full satisfaction of the Bank, the contractor shall ensure that the following works have been completed to the satisfaction of the bank.

- a) Clear the site of all scaffolding, wiring, pipes, surplus materials, contractor's labor, equipment and machinery.
- b) Demolish, dismantle and remove the contractor's site office, temporary works, structures including labour sheds/camps and constructions and other items and things whatsoever brought upon or erected at the site or any land allotted to the contractor by the bank and not incorporated in the permanent works.
- c) Remove all rubbish, debris etc.
- d) Shall put the bank in undisputed custody and possession of the site and all land allotted by the bank.
- e) Shall hand over the work in a peaceful manner to the bank.
- f) All defects/imperfections have been attended and rectified as pointed out by the bank to the full satisfaction of bank.

Upon the satisfactory fulfilment by the contractor as stated above, the contractor shall be entitled to apply to the Architect/Consultant for the certificate. If the Architect/Consultant is satisfied of the completion of the work, relative to which the completion certificate has been sought, the Architect/Consultant shall within fifteen (15) days of the receipt of the application for virtual completion certificate, issue a VCC in respect of the work for which the VCC has been applied.

This issuance of a VCC shall be without prejudice to the bank's rights and contractor's liabilities under the contract including the contractor's liability for defect liability period nor shall the issuance of VCC in respect of the works or work at any site be construed as a waiver of any right or claim of the Bank against the contractor in respect of works or work at the site and in respect of which the VCC has been issued.

26. Work by other agencies

The Bank/Architect/Consultant reserves the rights to use premises and any portion of the site for execution of any work not included in the scope of this contract which it may desire to have carried out by other persons simultaneously and the Vendor/ Organization shall not only allow but also extend reasonable facilities for the execution of such work. The Vendor/ Organization however shall not be required to provide any plant or material for the execution of such work except by special arrangement with the bank. Such work shall be carried out in such manners not to impede the progress of the works included in the contract.

27. Insurance of Works:

27.1. Without limiting his obligations and responsibilities under the contract the contractor shall insure in the joint names of the bank and the contractor against all loss or damages from whatever cause arising other than the excepted risks, for which he is responsible under the terms of contract and in such a manner that the bank and contractor are covered for the period

stipulated in clause 27 of GCC and are also covered during the period of maintenance for loss or damage arising from a cause, occurring prior to the commencement of the period of maintenance and for any loss or damage occasioned by the contractor in the course of any operations carried out by him for the purpose of complying with his obligations under clause.

- a) The works for the time being executed to the estimated current Contract value thereof, or such additional sum as may be specified together with the materials for incorporation in the works at their replacement value.
- b) The constructional plant and other things brought on to the site by the contractor to the replacement value of such constructional plant and other things.
- c) Such insurance shall be affected with an insurer and in terms approved by the bank which approval shall not be unreasonably withheld, and the contractor shall whenever require produce to the Architect/Consultant the policy of insurance and the receipts for payment of the current premiums.

27.2. Damage to persons and property

The contractor shall, except if and so far as the contract provides otherwise indemnify the bank against all losses and claims in respect of injuries or damages to any person or material or physical damage to any property whatsoever which may arise out of or in consequence of the execution and maintenance of the works and against all claims proceedings, damages, costs, charges and expenses whatsoever in respect of or in relation thereto except any compensation of damages for or with respect to:

- a) The permanent use or occupation of land by or any part thereof.
- b) The right of Bank to execute the works or any part thereof, on, over, under, in or through any lands.
- c) Injuries or damages to persons or properties which are unavoidable result of the execution or maintenance of the works in accordance with the contract.
- d) Injuries or damage to persons or property resulting from any act or neglect of the Bank, their agents, employees or other contractors not being employed by the contractor or in respect of any claims, proceedings, damages, costs, charges and expenses in respect thereof or in relation thereto or where the injury or damage was contributed to by the contractor, his servants or agents such part of the compensation as may be just and equitable having regard to the extent of the responsibility of the Bank, their employees, or agents or other employees, or agents or other contractors for the damage or injury.

27.3. Contractor to indemnify Bank

The contractor shall indemnify the bank against all claims, proceedings, damages, costs, charges and expenses in respect of the matters referred to in the provision sub clause 27.2 of this clause.

27.4. Contractor's role in indemnifying the Bank

The contractor shall fully indemnify and keep indemnified the bank against any

action, claim, or proceeding relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay any royalties which may be payable in respect of any article or part thereof included in the contract.

In the event of any claim made under or action brought against bank in respect of such matters as aforesaid the contractor shall be immediately notified thereof and the contractor shall be at liberty, at his own expenses to settle any dispute or to conduct any litigation that may arise there from, provided that the contractor shall not be liable to indemnify the bank if the infringement of the patent or design or any alleged patent or design right is the direct result of an order passed by the Architect/Consultant in this behalf.

27.5. Third Party Insurance

a) Before commencing the execution of the work, the contractor but without limiting his obligations and responsibilities under clause 27 of GCC shall insure against his liability for any material or physical damage, loss, or injury which may occur to any property including that of bank, or to any person, including any employee of the bank, by or arising out of the execution of the works or in the carrying out of the contract, otherwise than due to the matters referred to in the provision to clause 27 thereof.

b) Minimum Amount of Third-Party Insurance

Such insurance shall be affected with an insurer and in terms approved by the bank which approval shall not be reasonably withheld and for at least the amount stated below. The contractor shall, whenever required, produce to the Architect/Consultant the policy or policies of insurance cover and receipts for payment of the current premiums.

c) The minimum insurance cover for physical property, injury, and death is Rs.5.00 lakh per occurrence with the number of occurrences limited to four. After each occurrence contractor will pay additional premium necessary to make insurance valid for four occurrences always.

27.6 Accident or Injury to Workmen

a) The Bank shall not be liable for or in respect of any damages or compensation payable at law in respect or in consequence of any accident or injury to any workmen or other person in the employment of the contractor or any subcontractor, save and except an accident or injury resulting from any act or default of the bank or their agents, or employees. The contractor shall indemnify and keep indemnified bank against all such damages and compensation, save and except as aforesaid and against all claims, proceedings, costs, charges and expenses whatsoever in respect thereof or in relation thereto.

b) Insurance against accidents etc....., to workmen

The contractor shall insure against such liability with an insurer approved by the bank during the whole of the time any person employed by him on the works and shall, when required, produce to the architect/consultant such policy of insurance

and receipt for payment of the current premium.

Provided always that, in respect of any persons employed by any subcontractor the contractor's obligation to insure as aforesaid under this sub clause shall be satisfied if the sub-contractor shall have insured against the liability in respect of such persons in such manner that bank is indemnified under the policy but the contractor shall require such subcontractor to produce to the Architect/Consultant when required such policy of insurance and the receipt for the payment of the current premium.

c) Remedy on Contractor's failure to insure

If the contractor fails to effect and keep in force the insurance referred to above or any other insurance which he may be required to effect under the terms of contract, then and in any such case the bank may effect and keep in force any such insurance and pay such premium or premiums as may be necessary for that purpose and from time to time deduct the amount so paid by the bank as aforesaid and also deduct 15% of contract value from any amount due or which may become due to the contractor, or recover the same as debt from the contractor.

d) Without prejudice to the other rights of the Bank against contractors, in respect of such default, the Bank shall be entitled to deduct from any sum's payable to the contractor the amount of any damage's costs, charges, and other expenses paid by the bank and which are payable by the contractors under this clause.

The contractor shall upon settlement by the insurer of any claim made against the insurer pursuant to a policy taken under this clause, proceed with due diligence to rebuild or repair the works destroyed or damaged.

In this event all the monies received from the insurer in respect of such damage shall be paid to the contractor and the contractor shall not be entitled to any further payment in respect of the expenditure incurred for rebuilding or repairing of the materials or goods destroyed or damaged.

28. Commencement of Works

The work should be started from 3rd. day of issue of work order. In case, Vendor/ Organization fails to undertake the work at site within 7 days from the date of issue of work order, the Bank reserve the rights to entrust the work to any other Vendor/ Organization at its discretion and earnest money deposit of defaulter Vendor/ Organization will be forfeited.

29. Time for completion

Time is the essence of the contract and shall be strictly observed by the Vendor/ Organization. The entire work shall be completed within a period of 60 days from the date of award of work. If required in the contract or as directed by the Architect/Consultant, the Vendor/ Organization shall complete certain portions of work before completion of the entire work. However, the completion date shall be reckoned as the date by which the whole work is completed as per the terms of the contract.

30. Extension of Time

If, in the opinion of the Architect/Consultant, the work be delayed for reasons beyond the control of the Vendor/ Organization, the Architect/Consultant may submit a recommendation to the bank to grant a fair and reasonable extension of time for completion of work as per the terms of contract.

If the Vendor/ Organization needs an extension of time for the completion of work or if the completion of work is likely to be delayed for any reasons beyond the due date of completion as stipulated in the contract, the Vendor/ Organization shall apply to the bank through the Architect/Consultant in writing at least 10 days before the expiry of the scheduled time and while applying for extension of time he shall furnish the reasons in detail and his justification if any, for the delays.

The architect/consultant shall submit their recommendations to the bank in the prescribed format for granting extension of time. While granting extension of time the Vendor/ Organization shall be informed the period extended time which will qualify for levy of liquidated damages.

For the balance period in excess of original stipulated period and duly sanctioned extension of time by the bank the provision of liquidated damages as stated under clause 10 of GCC shall become applicable. Further contract shall remain in force even for the period beyond the due date of completion irrespective whether the extension is granted or not.

31. Rate of progress

Whole of the materials, plant and labour to be provided by the contractor and the mode, manner and speed of execution and maintenance of the works are to be of a kind and conducted in a manner to the satisfaction of the Architect/Consultant. Should the rate of progress of the work or any part thereof be at any time be in the opinion of the Architect/ Consultant too slow to ensure the completion of the whole of the work by the prescribed time or extended time for completion the Architect/Consultant shall thereupon take such steps as considered necessary by the Architect/Consultant to expedite progress so as to complete the works by the prescribed time or extended time.

Such communications from the Architect/Consultant neither shall relieve the contractor from fulfilling obligations under the contract nor he shall be entitled to raise any claims arising out of such directions.

32. Work during nights and holidays

Subject to any provision to the contrary contained in the contract no permanent work shall save as herein provided be carried on during the night or on holidays without the permission in writing of the Architect/Consultant, save when the work is unavoidable or absolutely necessary for the saving of life or property or for the safety of the work in which case the contractor shall immediately advise the Architect/Consultant. However the provision of the clause shall not be applicable in the case of any work which becomes essential to carry by rotary or double shifts in order to achieve the progress and quality of the part

of the works being technically required and continued with the prior approval of the Architect/consultant at no extra cost to the bank. All work at night after obtaining approval from competent authorities shall be carried out without unreasonable noise and disturbance.

33. Compensation for delay/ Liquidity Damages

Time is the essence of the contract. If the Vendor/ Organization fails to complete the work and clear the site on or before the dates fixed for completion, then the Vendor/ Organization shall without prejudice be liable to pay liquidation damage (LD) at 1 % of the final value of the contract for every week that the whole or the part of work remains incomplete. However, the total amount of LD to be paid under this condition shall not exceed 15% of the final value of the contract.

34. No compensation for restrictions of work

If at any time after acceptance of the tender bank shall decide to abandon or reduce the scope of work for any reason whatsoever and hence not require the whole or any part of the work to be carried out, the Architect/Consultant shall give notice in writing to that effect to the contractor and the contractor shall act accordingly in the matter.

The contractor shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the work fully but which he did not derive in consequence of the foreclosure of the whole or part of the work.

Provided that the contractor shall be paid the charges on the cartage only of materials actually and bona fide brought to the site of the work by the contractor and rendered surplus as a result of the abandonment, curtailment of the work or any portion thereof and then taken back by the contractor, provided however that the Architect/Consultant shall have in such cases the option of taking over all or any such materials at their purchase price or a local current rate whichever is less.

In case of such stores having been issued from bank stores and returned by the contractor to stores, credit shall be given to him at the rates not exceeding those at which were originally issued to the contractor after taking into consideration and deduction for claims on account of any deterioration or damage while in the custody of the contractor and in this respect the decision of Architect/Consultant shall be final.

35. Suspension of work

i) The Vendor/ Organization shall, on receipt of the order in writing of the Architect/Consultant (whose decision shall be final and binding on the Vendor/ Organization) suspend the progress of works or any part thereof for such time and in such manner as Architect/ Consultant may consider necessary so as not cause any damage or injury to the work already done or endanger the safety thereof for any of following reasons.

- a) On account any default on the part of the Vendor/ Organization, or
- b) For proper execution of the works or part thereof for reasons other than the default of the Vendor/ Organization, or
- c) For safety of the works or part thereof.

The Vendor/ Organization shall, during such suspension, properly protect and secure the works to the extent necessary and carry out the instructions given in that behalf by the Architect/Consultant.

- ii) If the suspension is ordered for reasons (b) and (c) in sub-Para (i) above:
The Vendor/ Organization shall be entitled to an extension of time equal to the period of every such suspension. No compensation whatsoever shall be paid on this account.

36. Action when the whole security deposit is forfeited

In any case in which under any clause or clauses of this contract, the Vendor/ Organization shall have rendered himself liable to pay compensation amounting to the whole of his security deposit the Architect/Consultant shall have the power to adopt any of the following course as they may deem best suited to the interest of the bank.

- a) To rescind the contract of which rescission notice in writing to the Vendor/ Organization by the Architect/Consultant shall be conclusive evidence and in which case the security deposit of the Vendor/ Organization shall be forfeited and be absolutely at the disposal of bank.
- b) To employ labour paid by the bank and to supply materials to carry out the work, or any part of the work, debiting the Vendor/ Organization with the cost of the labour and materials (the cost of such labour and materials as worked out by the Architect/ Consultant shall be final and conclusive against the Vendor/ Organization) and crediting him with the value of the work done, in all respects in the same manner and at the same manner and at the same rates as if it had been carried out by the Vendor/ Organization under the terms of this contract the certificate of Architect/Consultant as to the value of work done shall be final and conclusive against the Vendor/ Organization.
- c) To measure up the work of the Vendor/ Organization , and to take such part thereof as shall be unexecuted, out of his hands, and to give it to another Vendor/ Organization to complete in which case any expenses which may be incurred in excess of the sum which would have been paid to the original Vendor/ Organization , if the whole work had been executed by him (of the amount of which excess the certificates in writing of the Architects/ Consultant shall be final and conclusive) shall be borne by original Vendor/ Organization and may be deducted from any money due to him by bank under the contract or otherwise, or from his security deposit or the proceeds of sale thereof, or sufficient part thereof.

In the event of any of above courses being adopted by the bank the Vendor/

Organization shall have no claim to compensation for any loss sustained by him by reasons of his having purchased or procured any material or entered into any engagements or make any advances on account of, or with a view to the execution of the work or the performance of the contract and in case the contract shall be rescinded under the provision aforesaid, the Vendor/ Organization shall not be entitled to recover or to be paid any sum or any work thereto for actually performed under this contract, unless, and until the Architect/Consultant will have certified in writing the performance of such work and the value payable in respect thereof, and he shall only be entitled to be paid the value so certified.

37.Owner's Right to Terminate the Contract

If the Vendor/ Organization being an individual or a firm commit any 'Act of Insolvency' or shall be adjudged an insolvent or being an incorporated company shall have an order for compulsory winding up voluntarily or subject to the supervision of Government and of the Official Assignee of the liquidator in such acts of insolvency or winding up shall be unless within seven days after notice to him to do so, to show to the reasonable satisfaction of the Architect/Consultant that he is able to carry out and fulfil the contract, and to give security therefore if so required by the Architect/Consultant.

Or if the Vendor/ Organization (whether an individual firm or incorporated Company) shall suffer execution to be issued or shall suffer any payment under this contract to be attached by or on behalf of any of the creditors of the Vendor/ Organization.

Or shall assign or sublet this contract without the consent in writing of the bank through the Architect/Consultant or shall charge or encumber this contract or any payment due to which may become due to the Vendor/ Organization there under.

- a) Has abandoned the contract or
- b) Has failed to commence the works, or has without any lawful excuse under these conditions suspended the progress of the works for 14 days after receiving from the bank through the Architect/Consultant written notice to proceed, or
- c) Has failed to proceed with the works with such diligence and failed to make such due progress as would enable the works to be completed within the time agreed upon, or has failed to remove the materials from the site or to pull down and replace work within seven days after written notice from the bank through the Architect/ Consultant that the said materials were condemned and rejected by the Architect/ Consultant under these conditions; or has neglected or failed persistently to observe and perform all or any of the acts, matters or things by this contract to be observed and performed by the Vendor/ Organization for seven days after written notice shall have been given to the Vendor/ Organization to observe or perform the same or has to the detriment of good workmanship or in defiance of the bank's or Architect's/Consultant's instructions to the contrary subject any part of the contract. Then and in any of said cases the bank and or the Architect/Consultant, may not withstanding any previous waiver, after giving seven days' notice in writing to the Vendor/ Organization, determine the contract, but without thereby affecting the powers of the Bank or the Architect/Consultant or the obligation and liabilities of the Vendor/ Organization

the whole of which shall continue in force as fully as if the contract had not been so determined and as if the works subsequently had been executed by or on behalf of the Vendor/ Organization . And, further the bank through the Architect/Consultant, their agents or employees may enter upon and take possession of the work and all plants, tools, scaffoldings, materials, sheds, machineries lying upon the premises or on the adjoining lands or roads, use the same by means of their own employees or workmen in carrying on and completing the work or by engaging any other Vendor/ Organization s or persons to complete the work and the Vendor/ Organization shall not in any way interrupt or do any act, matter or thing to prevent or hinder such other Vendor/ Organization or other persons employed for completing and finishing or using the materials and plant for the works.

When the works shall be completed or as soon thereafter as convenient the Bank or the Architect/Consultant shall give a notice in writing to the Vendor/ Organization to remove his surplus materials and plants and should the Vendor/ Organization fail to do so within 14 days after receipt thereof by him the bank sell the same by public auction after due publication and shall adjust the amount realized by such auction. The Vendor/ Organization shall have no right to question any of the act of the bank incidental to the sale of the materials etc.

38.Certificate of Payment

The Vendor/ Organization shall be entitled for payment as per the certificates issued by the Architect/ Consultant. The certificate of the Architect will be scrutinized by concerned engineer of bank who will pass the bill for payment. Payment will be made to the Vendor/ Organization within 10 working days from the date of passing of the Bill by the concerned engineer of bank. The Bank shall deduct the statutory recoveries and other dues including the retention amount from bill passed for payment.

Provided always that the issue of any certificate by the Architect/Consultant during the progress of works or completion shall not have effect as certificate of satisfaction or to relieve the Vendor/ Organization from his liability under this clause. The Architect/Consultant shall have power to withhold the certificate if the work or any part thereof is not carried out to their satisfaction. The Architect/Consultant may by any subsequent certificate make any corrections required in previous certificate.

The Bank shall reserve its liberty to modify the certificate of payment as issued by the Architect/Consultant from time to time while making the payment as deemed fit and necessary. The final bill may be submitted by Vendor/ Organization within a period of one month from the date of virtual completion and Architect/Consultant shall issue the certificate of payment within a period of 15 days.

The bank shall pay the amount of final bill within a period of 15 days from the date of issue of certificate provided there is no dispute in respect of rates and quantities. The Vendor/ Organization shall submit the interim bills in the prescribed format with all details.

39.Payment to Contractor's

Payment will be released only after completion of the work to the satisfaction of the Bank. However, interim bills after certification of architect will be considered subject to not less than 25% of the contract value in each bill as per tender terms and conditions.

This is an item rate tender. The quantities given in the schedule of items are approximate & payment shall be made only for the quantities executed as per the actual measurement. The Vendor/ Organization is not entitled for any sort of compensation towards the materials procured & stored in excess of the measured quantity, if any.

40. Settlement of Disputes and Arbitration

Except where otherwise provided in the contract all questions and disputes relating to the meaning of the specifications, design, drawings and instructions herein before mentioned and as to the quality of workmanship or materials used on the work or as to any other question, claim, right, matter or thing whatsoever in any way arising out of or relating to the contract, designs, drawings, specifications, estimates, instructions, orders or these conditions or otherwise concerning the work or the execution or failure to execute the same, whether arising during the progress of the work or after the cancellation, termination, completion or abandonment thereof shall be dealt with as mentioned hereinafter:

i) If the Vendor/ Organization considers that he is entitled to any extra payment or compensation in respect of the works over and above contracted works undertaken at the request of bank and duly certified by the Architect which have been disallowed by bank, the Vendor/ Organization shall forthwith give notice in writing of his claim, or dispute to the bank and endorse a copy of the same to the Architect, within 30 days from the date of disallowance thereof or the date of deduction or recovery. The said notice shall give full particulars of the claim, grounds on which it is based and detailed calculations of the amount disputed. Thereafter the dispute shall be taken up in arbitration. It is also a term of this contract that no person other than a person appointed by such General Manager aforesaid should act as arbitrator who shall be a PWD engineer of the Government of Andhra Pradesh with rank not less than the rank of an Executive Engineer. The arbitration shall be conducted in accordance with the provisions of the Arbitration & Conciliation Act 1996 or any statutory modification or reenactment thereof and the rules made there under. The fee claimed by the arbitrator shall be shared equally by the parties. The decision of the Arbitrator is final and binding on the parties. The Courts at Chittoor alone shall have jurisdiction in respect of settlement of all disputes arising out or in connection with the contract.

41. Method of Measurement

Unless otherwise mentioned in the schedule of quantities or in mode of measurement, the measurement will be on the net quantities or work produced in accordance with up to date. Rules laid down by the Bureau of Indian Standards. In the event any dispute/disagreement the decision of the Architect/Consultant shall be final and binding on the contractor.

42. Maintenance of Registers

The contractor shall maintain the following registers at site of work and should produce the same for inspection of Bank/Architect/Consultant whenever desired by them. The contractor shall also maintain the records/registers as required by the local authorities/Government from time to time.

- i. Register for secured advance
- ii. Register for hindrance to work
- iii. Register for running a/c bill
- iv. Register for labour.

43. Force Majeure

- 43.1. Neither contractor nor Bank shall be considered in default in performance of their obligations if such performance is prevented or delayed by events such as war, hostilities revolution, riots, civil commotion, strikes, lockout, conflagrations, epidemic, accidents, fire, storms, floods, droughts, earthquakes or ordinances or any act of God or for any other cause beyond the reasonable control of the party affected or prevented or delayed. However, a notice is required to be given within 30 days from the happening of the event with complete details, to the other party to the contract, if it is not possible to serve a notice, within the shortest possible period without delay.
- 43.2. As soon as the cause of force majeure has been removed the party whose ability to perform its obligations has been affected, shall notify the other of such cessation and the actual delay incurred in such affected activity adducing necessary evidence in support thereof.
- 43.3. From the date of occurrence of a case of force majeure obligations of the party affected shall be suspended during the continuance of any inability so caused. With the cause itself and inability resulting there from having been removed, the agreed time of completion of the respective obligations under this agreement shall stand extended by a period equal to the period of delay occasioned by such events.
