My Dear Colleagues,

Hearty greetings to every one of you!

As you all know, by statute, all RRBs in our state including SGB are coming together to form a single RRB "Andhra Pradesh Grameena Bank". As we are moving closer to the D-Day, I am demitting Chairman's office and I wish the following to share with you.

I would reckon my coming to Saptagiri Gareema Bank on 23/08/2021 as the blessings of GOD that I could recover from the clutches of terrible Covid phase II. I would also reckon my coming here as the blessings of many of my well-wishers that I could get opportunity to work with the talented & dedicated work force of the Bank which is otherwise living in family bondage with loving & caring for each other.

I've met almost all of you in person and had interactions with many of you. Having been closely associated, I admire all my Colleagues, Retirees, Representatives of Associations and Unions for their excellent contribution for qualitative improvements that happened in our Bank, which lead my stint here, a remarkable and a successful one. Our bank won various awards and Shields on the back of excellent performances in different categories. Our achievements in the last 4 financial years have brought good recognition and tremendous respect in the eyes of customers, market and even our stakeholders.

Although I joined SGB at the fag end of my career, I knew that the Bank is having intrinsic strength which had enabled me to write a successful script for implementation of the long awaited Digital Services and to adopt a victorious blueprint for the construction of Bank's Own Building.

My job here at SGB is going to be the most memorable one in my Banking career. I would like to express my gratitude to all of you as I can't forget your invaluable cooperation. I also wish to thank our sponsor bank and Honourable members of Bank Board for the given support in making the Bank what it is today.

Now, at this point of time, in the process of amalgamation please ensure that customers are not inconvenienced. They will look to you for guidance and information on many day-to-day operations from day 1. Your collective focus should be to clear the apprehensions / doubts of our customers. I am confident, with all the core principles and business skills acquired, you all will take lead role & contribute greatly for the success of the new RRB as well.

Once again I express my sincere gratitude for your love and affection. Throughout my life, I will cherish the memories of every moment spent with you.

I wish you and your families all the best and great times ahead.
